INDIVIDUALIZED ASANA COURSES

with
Mark Horner

July to August, 2017

6 Tuesdays
July 25 to August 29

6 Thursdays
July 27 to August 31

6 Fridays
July 28 to Sept 1

Traditionally yoga asanas were taught through an individualized approach adjusted to the unique needs of each student. This eliminates unproductive activity by focusing energy and attention on asanas that will most quickly remove the present obstructions. To support this, one-to-one guidance and hands-on adjustments are given. Students learn to develop a self-directed practice, an essential step if true progress is to be made. As a result, each student will progress faster when an individualized course is added to compliment group instruction courses.

Numbers are limited. The times listed on the registration form are when you will be adjusted. Plan to start 30-45 minutes prior, and allow about 1 to 1 1/2 hours total. Knowledge of a Shadow Yoga prelude is required to attend.

If you are not currently enrolled in an IA course and wish to begin in the Winter session, please contact Mark for available times, as priority is given to those continuing. **PAYMENT IN FULL IS REQUIRED TO RESERVE YOUR SPACE.**

Make-up Policy: Any make-ups must be arranged PRIOR to the start of the course. Make-ups are subject to availability, and not guaranteed. Once the course has begun, any missed classes cannot be made-up.
