**Summer / Fall Asana Intensive:** The practice of Asana has many aspects: from building physical capacity, to correcting structural and energetic imbalance, to the subtle work of establishing the seat, or the container for the internal practices of hatha yoga. This summer & fall asana intensive will teach a variety of asanas and vinyasas in terms of these different aspects of practice. In addition, the sciences of marma, nadi, and vayu, as well as relationships within the myofascial system, will be drawn upon to enrich understanding and skill.

**For whom:** This Intensive is designed to support the continued development of students who have completed, or are currently in the Level I, II, or III Practitioner Training Program with Mark. Other practitioners experienced with all three Preludes may be able to attend after consulting with Mark first.

**Drop-in Policy:** Courses are taught progressively, so full participation is strongly recommended. If this is not possible, individual sessions may be attended only by students experienced with all three Preludes and the 8 Palms Short Form.

**Drop-in fee: Saturdays – \$33  
Thursdays – \$28**
